Message From Chancellor, USTM

It gives me immense pleasure to welcome you to the University of Science and Technology Meghalaya which is an institution of learning, innovation and research with a futuristic vision.

I am very happy to see the remarkable response of the students seeking admission for the various programs under the University. I look at this response as a reward for the efforts put in by our highly experienced faculty members & Staff and also due to the brilliant performance of our alumni in their respective careers. Our University has received the recognition of being the 1st private University to get accredited with an A grade by NAAC and have found our place amongst the top 200 Universities of the country as ranked by NIRF.

We have always emphasized on world class quality education, research & superb learning facilities for our students thus enabling them to be at par with the global challenges, competition and the demanding educational scenario. We ensure that we follow the latest trends in education and technology to impart the best of professional studies, research and innovation techniques to all our students.

Our initiative in the field of healthcare has started with the University Hospital of Ayurveda & Naturopathy which is a world class health care facility and now we have treaded the path of medical healthcare education through this new IA Ayurvedic Medical College. I certainly expect and hope that this college shall be able to contribute to the society through the field of Ayurvedic Medical Sciences and become a global destination for healthcare & education.

My dear students, I once again welcome you all here at USTM, specially the students of Ayurveda and I can assure you that we are here to facilitate all your efforts thus empowering you to reach out to the sky and conquer the world of tomorrow.

All the very best!

Mahbubul Hoque
Chancellor, USTM

Message From Vice Chancellor

I am extremely happy to interact with you through this brochure. University of Science and Technology Meghalaya, a NAAC 'A' graded University that has been accepted as an institution delivering a very high-quality education with emphasis on interactive teaching methods and focused research in diverse fields. USTM is known for Academic Discipline, Experienced Faculty, State-of-the-art Infrastructure, International Teaching Pedagogies, Excellent Learning Green Environment, Progressive Research Culture and Emphasis on Personality Development of the students. Our innovations in the various domains have been able to get accolades and patents for us. This has given us the due place among country's top 200 Universities consecutively for two years ranked by NIRF.

At our University, we provide opportunities for involvement in innovative research projects and life enriching community service for the society. We believe that education is complete when we start contributing meaningfully to the society. To ensure this, greater emphasis is given on what students have learned and not necessarily what they were taught.

With these commendable achievements, I believe that there is still scope for us to become the best and to reach higher levels of academic excellence. I have no doubt that we will be able to achieve these objectives with cooperation from our faculties of various institutions, which include experienced, knowledgeable and caring mentors.

I assure to all Parents and Students that we will continue to strive hard to provide quality education to the youth and live through the processes and systems that are of global standards.

Lastly, I congratulate you for having chosen USTM to pursue and attain your future dreams and professional objectives in the area of health sciences and wish to extend my heartiest welcome on behalf of the entire USTM family.

I wish you all the best.

G.D. Sharma

Prof G.D. Sharma
Vice Chancellor, USTM

Message From Principal

To Ayurveda scholars and Ayurveda lovers, it's my pride privilege to greet you for showing interest in Ayurveda. I extend a warm welcome to all of you to IA Ayurveda Medical College in the beautiful region of the North East. We are delighted to have you as part of our academic community and look forward to embarking on this journey of learning and growth together.

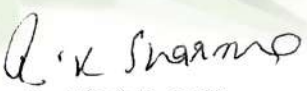

Ayurveda is the most enduring, time-tested healing modality prevailing in the world today. It is a natural system of healing and is accepted as the oldest scientific medical system with a long record of clinical experience. More than just a medical system, it is a science of life, a way of living with the rhythm of nature. Our institution aims to preserve and promote the rich heritage of Ayurveda while also embracing modern scientific advancements to provide a comprehensive education to our students.

As you embark on this educational path, I encourage you to embrace the wisdom and knowledge of Ayurveda and strive for excellence in your studies. Ayurveda not only focuses on treating diseases but also emphasizes preventive healthcare and the balance of mind, body, and spirit. Through this program, you will have the opportunity to explore the profound principles of Ayurveda, gain hands-on experience through practical training, and develop a deep understanding of the human body and its intricate relationship with nature.

Our mission has always been to provide not just world class education, aided by best of faculty, but an environment that fosters holistic development with emphasis on character building. I assure you that we will leave no stone unturned in our quest to make IA Ayurvedic Medical College the best of all and I hope that you make the best use of our resources to get a globally relevant education that prepares you not only for today's world, but for the challenges of tomorrow.

Once again, a heartfelt welcome to all of you to our beautiful campus for pursuing the BAMS course affiliated to NCISM, New Delhi. We are confident that this journey will be transformative, rewarding, and filled with memorable experiences. Together, let us strive to make a meaningful difference in the world of Ayurveda and contribute to the well-being of individuals and communities.

Wishing you all the best!
Jayatu Ayurveda.

Prof.(Dr) R. K.Sharma
Principal, IAMC

Message From Advisor

It is my proud privilege to express that the University of Science and Technology Meghalaya (USTM) is emerging as the fastest growing university in the North-East region of India. This university is striving to achieve excellence in academics and research and the university has been credited with "A" GRADE by NAAC in the first cycle of assessment and is ranked amongst top 200 universities of India by NIRF.

The Ayurvedic system is an oldest system in India and also in the history of World Medicine. Ayurveda is not only medical science but it is a science of life. It is also called holistic science as it takes into consideration all aspects of life - body, mind, sense organs and soul. The aim of Ayurveda as envisaged by Charaka - preservation of health and prevention of diseases also Ayurveda is promoting longevity, immunity, holistic health and wellness.

IA-Ayurvedic Medical College stands as the only landmark Institute in the entire NE-Region in Private Sector under USTM. It is expected for creation and dissemination of Quality Education Centre by imparting knowledge, skill and values in the field of research and also to develop the best human resources in the field of Ayurvedic education. We have highly qualified experienced faculties to start the college since the academic session 2023-24 to provide fruitful academic atmosphere and health-care facilities. It is world while to mention here that already 1st batch of students admitted during the year 2023-24 have appeared in the 1st Professional BAMS examination held on March, 2025 and promoted to 2nd Professional BAMS class.

I must extend my sincere gratitude and thanks to the Honourable Chancellor Mr Mahbubul Hoque for his noble endeavour for such a visionary work and encouragement to bring into the existence of IA-Ayurvedic Medical College (IAMC) and University Hospital of Ayurveda and Naturopathy (UHAN) under USTM honouring the indigenous system of medicine, an old heritage and glory of India.

Prof (Dr) Anil Kumar Sarma
Advisor, IAMC

About ERD FOUNDATION-Guwahati : The Promoter

Education Research & Development Foundation (ERDF) is registered as a charitable trust under the provision of Indian Trust Act 1882 and as per the provisions under the Societies Registration Act XXI of 1860. The head office of the Foundation is located at ERDF Bhawan, Lalmati Road, Bhetapara, Guwahati. ERDF is the largest & fastest growing educational network in the north-eastern region, catering education from KG to PG to Ph.D. There are 12,000 students in the institutions of ERDF out of which 20% belong to underprivileged backward classes and availing freeship and concessional education. At present, ERDF institutions have 122 courses, 38 Departments and 8 Research Journals. Nearly 30,000 students have graduated from different institutions of ERDF wherein more than 20,000 alumni are settled in various sectors across the Globe.

The ERDF Group of Institutions include:

- Central Public School, Patharkandi is the first CBSE affiliated school of ERDF set up in Karimganj District in April 2008.
- In January 2010, Central Public School Badarpur, the 2nd CBSE affiliated school was set up in Umarpur, near the Badarpur town.
- One of the most ambitious projects of ERDF is the University of Science and Technology Meghalaya (USTM) which was established under the provision of the USTM Act (No 6 of 2008) enacted by the Legislative Assembly of Meghalaya and started its courses since 2011.
- In 2015, ERDF set up Khairun Nessa Begum Women's College at Badarpur which is affiliated to Assam University, Silchar.
- Realizing the demand of Pharmaceutical Education in Greater Barak Valley, ERDF has established Allama TR College of Pharmacy at Badarpur in 2020 and is affiliated to Srimanta Sankardeva University of Health Sciences, Guwahati and approved by Pharmacy Council of India, New Delhi.
- In 2023, IA Ayurvedic Medical College established by ERDF. IAMC provided B.A.M.S course approved by National Commission for Indian System of Medicine (NCISM), New Delhi
- In 2024, PA Sangma International Medical College & Hospital established by ERDF offering MBBS course approved by National Medical Commission (NMC), New Delhi
- In 2024, Regional Institute of Nursing Education established by ERDF offering B.Sc. Nursing, GNM & ANM course approved by Meghalaya Nursing Council, Shillong.

About USTM

The University of Science & Technology Meghalaya (USTM) is the one of the fastest growing Universities in the entire North East India, sponsored by ERD Foundation, Guwahati. The University is established in a picturesque landscape surrounded by tranquil greenery in Assam-Meghalaya border at Baridua, 9th mile, opposite to the CRPF Camp, Ri-Bhoi District of Meghalaya. The campus is well connected by Rail & Air which is only 15 kms from Guwahati Railway Station & 35 kms from Guwahati International Airport.

USTM has been accredited **"A" grade by NAAC in November 2021**. The University has also been ranked among the **top 200 universities of India in the eighth edition of National Institutional Ranking Framework (NIRF) 2024**. It has also received the necessary approval from AICTE, New Delhi; NCTE, ERC, Bhubaneswar, Pharmacy Council of India, BCI, New Delhi, NCISM, New Delhi, NMC, New Delhi, MNC, Meghalaya to run B.Tech, MBA, B.Ed., D.Pharm, B.Pharm & M. Pharm, LLB (H), BBALLB and BALLB (H), BAMS, MBBS, B.Sc. Nursing, GNM, ANM programs respectively. The University has been involved in fulfilling the aspirations of young minds by imparting quality education. It offers a range of undergraduate, postgraduate, and doctoral programs in various fields.

USTM aims to provide quality education and research opportunities in science, technology, management, social sciences, and other related disciplines. The university has state-of-the-art infrastructure, modern facilities, and experienced faculty members to support academic and research endeavors. The university also emphasizes industry-academia collaboration and encourages practical learning through internships and industry exposure.

USTM offers UG, PG courses & Ph.D. under its different schools/ constituent colleges viz.

- School of Applied Sciences
- School of Allied Medical Sciences
- School of Biological Sciences
- PQH School of Education
- University School of Law & Research
- School of Pharmaceutical Sciences
- School of Social Sciences & Humanities

- Variety of Journals and Magazines on Ayurveda and e-Journals.
- The library houses more than 2650 books
- Computer room with internet and printer facility
- Availability of E-Resources

Bachelor of Ayurvedic Medicine and Surgery (BAMS)

Thousands of years before modern medicine provided scientific evidence for the mind-body connection, the sages of India developed Ayurveda, which continues to be one of the world's most sophisticated and powerful mind-body health systems. More than a mere system of treating illness, Ayurveda is a science of life (Ayur = life, Veda = science or knowledge). It offers a body of wisdom designed to help people stay vibrant and healthy which realizing their full human potential.

The two main guiding principles of Ayurveda are

- The mind and the body are inextricably connected, and
- Nothing has more power to heal and transform the body than the mind. Freedom from illness depends upon expanding our own awareness, bringing it into balance, and then extending that balance to the body.

Career Scope

- Medical practitioners/consultants in Private/ Govt. Hospitals
- Research Officers/Assistant
- Scientist/Coordinator
- Faculties in Ayurvedic Colleges
- Ayurvedic Drug Specialist in Pharmaceutical industry
- Health Insurance Consultant
- Health Care Administrative in Hospital Management
- Health and Wellness coach and many more.....

Clinical Training :

Clinical training of the student shall start from the First Professional session onwards and subject related clinical training shall be provided in the attached hospital by the concerned faculty in various IPD & OPD of our Hospital.

Sanskrit Samhita and Siddhanta Department

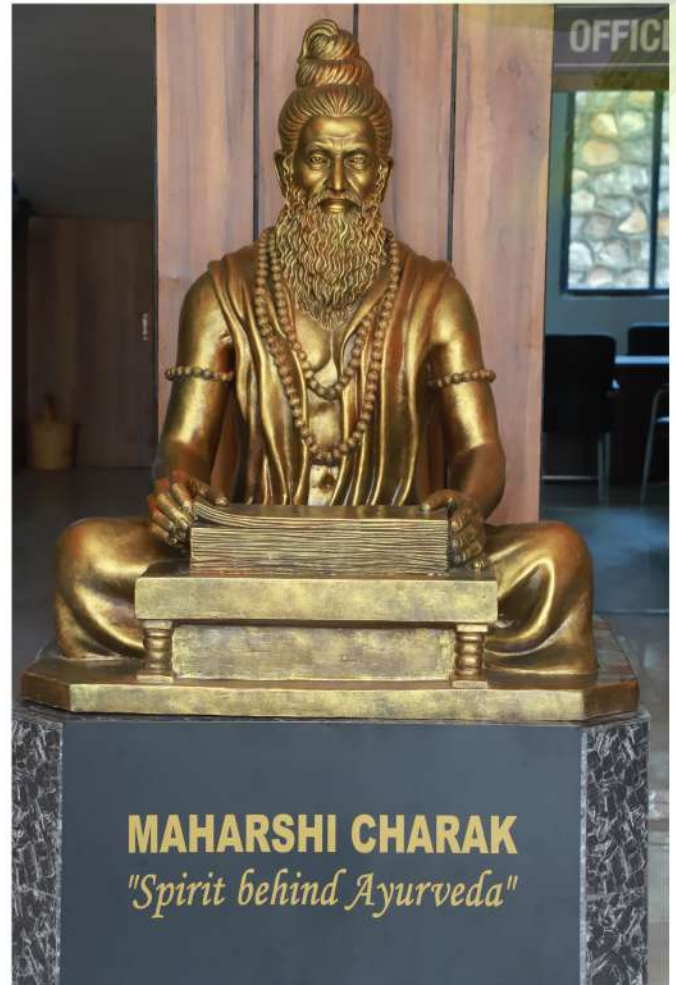

This is the first and the most important Department of Ayurveda, also known as Basic principles. This department is concerned with basic principles of Ayurveda which are described in classical texts i.e. Ayurved Samhitas.

Sanskrit

Ayurveda originated as of Vedic sciences. All original texts of Ayurveda were written in sanskrit so, the knowledge of sanskrit language is compulsory to learn Ayurveda.

Rachana Sharir Department

Department of Rachana Sharir deals with the study of Structure of the Human Body including cadaveric dissection and topics like embryology, histology, Anthropometry, Genetics, marma sharer etc as per Ayurveda and Modern science.

Dravyaguna Vigyan Department

According to Charaka there is nothing on the earth which is not medicine. That's why Ayurveda considers all substances as medicine, if used for specific purposes in an appropriate way. It's a complete science of herbal plants. Ayurvedic drugs, especially herbs are prescribed in different pharmaceutical forms, to get maximum therapeutic effect.

Kriya Sharir Department

It deals with the normal function of human body and its parts. It emphasizes the concepts of Dosha, Dhatu and Malas. According to the Ayurveda every individual is unique entity and for knowing this uniqueness of every individual's "prakriti parikshan" that is the analysis of body and mind is the speciality of this subject.

Rasashastra evam Bhaishajya Kalpana Department

Ayurvedic Pharmaceutics deals mainly with the drugs of herbal and mineral origin, their varieties, characteristics, processing techniques, properties, their therapeutic uses and procedure of any drug involve various steps starting from identification and collection of authentic raw material, application of standardized processing techniques and production of quality drug to packing and storage.

Swasthavritta and Yoga Department

Swasthavritta department deals with the total health or complete fitness; harmony at each level i.e. physical, physiological, psychological and spiritual of a human being.

The Swasthavritta OPD specialises in Diet, Lifestyle and Yoga consultation. The department is also dispensing its services in indoor department by regular diet advice for the admitted patients. Personalised yoga counselling for all conditions can also be availed from the Department OPD.

Rognidan evam Vikruti Vigyan Department

Rognidan and Vikruti Vigyan deals with the factors which are :

Essential to understand disease process as well as the diagnosis of disease.

The normal state of mind and body is called prakriti and the abnormal state of the mind and body is termed as Vikruti. Nidan Panchak is the base of diagnosis of disease.

The Knowledge gained by scrutinizing the causes and symptoms of a disease related to person is called Vikruti Vigyan.

Agadtantra evam Vidhi Vaidyaka Department

Deals with various natural and artificial toxic substances and poisons in detail along with their antidotes, signs and symptoms and legal aspects of medical ethics and standards.

Kaumarbhritya Department

Kaumarbhritya is one of the branch of Ayurveda dealing with the care of the child from the Conception to till the Maturity It is one of the Eight Branches (Astang) of Ayurveda.

It focuses on all aspects of nursing and healthy upbringing of newborns, infants and children by holistic approach for better progeny and society.

Prasuti Tantra Evam Striroga Department

Streeroga and prasuti tantra deals with management of diseases manifesting specially in women in every stage of life with gynaecological and obstetric care.

Panchakarma Department

Ayurveda has described the use of shaman (Palliative treatment) and Shodhan (Bio-Purification methods) methods. This Shodhan (Panchakarma) means five methods of body purification. These methods are employed in the healthy to prevent diseases and to improve the immunity as also in the sick to treat a number of diseases.

Kayachikitsa Department

Kayachikitsa is the first branch of Ashtang Ayurved that deals with general medicine, where kaya means body and chikitsa means treatment. Curing the disease can be attained through shaman (pacification) and shodhana (purification/detoxification) chikitsa, shaman chikitsa pacify the morbid doshas, where as shodhan expels the accumulated doshas.

Shalya Tantra Department

Department of Shalya Tantra (surgery) deals with the basics of surgery and para-surgical aspects given in Ayurveda as well as modern concepts at their level. The main focus of study is to get aware the students regarding the fundamental of surgical diseases, various disability and deformity, trauma, fractures, congenital and acquired illnesses etc.

Shalakya Tantra Department

Shalakya Tantra deals with diagnosis and management of the diseases above the clavicle like Netra(Eye), Karna(Ear) , Nasa(Nose) , Mukha(Oral cavity) & Shira(Head).

Laboratory & Diagnostic area

The central clinical laboratory of UHAN is an advanced diagnostic Centre with all the modern equipments. This Central Clinical Laboratory (CCL) has Sample collection unit having cutting edge technology and incorporates the latest diagnostic techniques. Our Biochemistry section in the lab is equipped with fully automatic biochemistry analyser, Auto lab ESR machine, PSR+ Electrolyte Analyser, Ichroma Reader and Chamber, etc. The Hematological section for conducting relevant tests and the Microbiology section is also available to perform various bacteriological, etc. cultures. The Pathology section is equipped for urine, stool, etc. tests and has provision for cytological and Histopathological tests. The laboratory has a sample collection unit to collect the required samples, the laboratory is involved in conducting research oriented purpose for all the departments concerned as well as patient care.

Radiological Department area has facilities like X Ray, USG, TMT, ECG and other such tools.

Herbal Garden

There are 450 types of verdant medicinal plants presently available in Herbal Garden especially for the purpose of study. A large part of College land is covered by this Herbal Garden.

Lecture Hall

Lecture hall is excellent for focusing the attention of a large group on a single point, either an instructor or an audio-visual presentation, and modern lecture hall often feature audio-visual equipment. Microphone and loudspeakers are common to help the lecturer to be available, and projection screens may be used for larger displays.

Hostel

IA Ayurvedic Medical College has Separate Boys & Girls with hostels, located in calm and serene surroundings, provide a conducive natural atmosphere for the students to study, The hostels are located away from each other with separate mess facilities. Utmost care is taken to maintain hygiene during preparation and serving of food by dedicated staff.

Canteen

A spacious and hygienic canteen at Institute provides fresh snacks items, tea, coffee, fruit juice & daily needed items to students & visitors, Food is prepared under the direct supervision of the messing committee comprising of management, faculty and student representatives.

Transport

IA Ayurvedic Medical College providing transport facilities for students, faculty and staff from all surrounding town & villages.

Health Minister Inaugurated UHAN- NE India's 1st Multi-speciality Ayurvedic Hospital

UHAN is Awesome: Health Minister Dr. Lingdoh

The University Hospital of Ayurveda & Naturopathy (UHAN), North East India's premier multi-specialty Ayurvedic Hospital was officially inaugurated on 24th August 2023 at the USTM campus by Dr M Ampareen Lyngdoh, Hon'ble Minister of Health & FW, I & PR and Law, Government of Meghalaya. Currently, this 100-bed ayurvedic hospital is open at the USTM campus where inter-disciplinary health research and central instrumentation facility are already available and functioning.

Addressing a large gathering, Health Minister Dr M Ampareen Lyngdoh said, "UHAN is just unbelievable. The kind of infrastructure and facilities it is offering is awesome. The USTM is a one-stop educational village, an institution with a difference". "I am happy to inaugurate UHAN. I am humbled to learn that Ayurveda and Naturopathy are branches of knowledge that are gaining popularity more and more", she added.

Appreciating the growth of USTM within a short span of time, the Minister said that the Government of Meghalaya is very delighted to partner with a visionary like Mahbubul Hoque. "Knowledge cannot be bought, it is inculcated, it is nurtured. I assure you that the Meghalaya Government will give full support to establish the upcoming PA Sangma International Medical College and Hospital at USTM campus".

Speaking on the occasion, Shri Mahbubul Hoque, Chancellor USTM said, "In the near future, before 2030, all healthcare divisions—Allopathy, Unani, Siddha and Homeopathy—along with research will exist in the USTM campus."

UHAN provides advanced diagnostic services and classical Panchakarma treatments with a dedicated, dynamic, and competent team of experienced Ayurvedic doctors and paramedical staff. With accident and emergency care, IPD, and OPD, the hospital offers a wide range of treatments and therapies. These include herbal remedies, massage, yoga, meditation, and dietary changes.

The hospital is particularly effective in treating chronic conditions such as arthritis, asthma, and digestive disorders. It also offers treatments for stress, anxiety, and other mental health conditions. It is equipped with state-of-the-art facilities and the practitioners are highly trained and experienced in the field of Ayurveda.

The various sections at the hospital are Kayachikitsa (Ayurveda Medicine), Shalya (Surgery), Prasuti Tantra & Stree Rog (Obstetrics & Gynecology), Shalakya (ENT), Netra Roga (Ophthalmology), Kumarbhritya (Paediatrics), Swastavritta (Yoga & Wellness Centre), Geriatric Care Clinic, 24 hours pharmacy services, 24 hours ambulance services and canteen services. The round-the-clock Laboratory services include USG, ECG, X-Ray, Panchakarma Therapies, Abyanga, Snehana, Swedan, Vamana, Virechana, Nasya, Vasti, Shirodhara and Raktamokshana.

AYUSH Minister Sarbananda Sonowal Inaugurated the Academic Complex of IAMC

The Union Minister for AYUSH, and Ports, Shipping & Waterways Shri Sarbananda Sonowal inaugurated the Academic Complex of the IA Ayurvedic Medical College (IAMC) on 29th August 2023 at the University of Science and Technology Meghalaya (USTM) in the presence of Mahbubul Hoque, Chancellor, Prof GD Sharma, Vice Chancellor and a host of dignitaries and thousands of students. This state-of-the-art new infrastructure houses the Advanced Research Centre, Central Instrumentation Facility, and different departments of the College.

Addressing a huge gathering of thousands of students, Shri Sarbananda Sonowal said, "I am amazed to see the state-of-the-art facility, a visionary initiative under the leadership of M Hoque. I am highly pleased after visiting the sophisticated research lab where scientists are already doing research work. Ministry will extend all necessary support to further develop the institution." He appealed to the team Ayurveda to focus on extensive research on medicinal plants of the NE region along with teaching-learning and quality healthcare.

He said that the expansion of this premier institute can play an instrumental role in furthering the role of traditional medicine in the region. "The vision of PM Modi ji is to develop a healthcare delivery system that is effective and efficient. With the continuous impetus to build and expand capacity for research and build a scientific base for traditional medicine, I believe the IAMC will play a crucial role towards the achievement of this objective", he added. Speaking on the occasion, Shri Mahbubul Hoque, Chancellor USTM said, "In the near future, before 2030, all healthcare divisions—Allopathy, Unani, Siddha and Homeopathy—along with research will exist in the USTM campus."

Located near the multi-specialty University Hospital of Ayurveda & Naturopathy (UHAN) at the USTM campus, this Academic Complex of the college has teaching as well as research facilities. On the other hand, the 100-bed hospital provides facilities like OPD consultations, medicines, laboratory facilities for routine haematological and biochemistry for the paediatric, geriatric and general population. The hospital at the IAMC campus is well-equipped with accident and emergency care private wards, labour room, Operation Theatre, Yoga center, Physiotherapy unit, Panchkarma unit etc. The investigation facilities like ECG, USG, X-ray, Laboratories, are also available.

TRANSITIONAL CURRICULUM PROGRAMME

Transitional curriculum programme for BAMS 1st Professional 2023-24 took place in the month of November 2023 which were graced by the Meghalaya Cabinet Minister Sri Kyrmen Shylla, Prof. (Dr.) Pranabjyoti Baishya, Principal, Govt. Ayurvedic College, Guwahati and other dignitaries.

Inspiring lecture was presented by invited guest Dr. Nuzhat Husain, MBBS, MD, FICP, Dean, Ex Director and Prof. & Head, Deptt. of Pathology, Dr. Ram Manohar Lohia Institute of Medical Sciences, Lucknow, India on the topic "Prevention and Screening of Cervical Cancer".

Dr. Mousumi Krishnatreya, Prof. & Head, Deptt. of Social and Preventive Medicine, Nawgaon Medical College. The Professor threw lecture on the topic "National Health Status, Goals and policies".

A lecture was delivered by Dr. O.P. Gupta, Former Professor & HOD, Dept. of Kayachikitsa, Govt. Ayurvedic College, Guwahati on "Knowledge of Ayurveda and its significance" on the occasion of 8th National Ayurveda Day, 2023.

Prof. G. D. Sharma, Hon'ble Vice Chancellor, USTM addressed the Valedictory function of the 15 days Transitional Curriculum Programme, 2023 at IAMC.

Blood Donation Camp in Campus

MEMORANDUM OF UNDERSTANDING (MOU)

An MOU was signed in March, 2024, between Shri J.G. Co-operative Hospital Societies Sahakar Maharshi Shri BA Patil Ayurvedic Medical College Ghataprabha-591306, Dist-Belagavi, Karnataka And IA Ayurvedic Medical College, USTM.

SEMINARS, CMES AND WORKSHOPS

The Department of Sanskrit, Samhita, and Siddhanta of IAMC organized a session on the topics of Siddhanta on 9th January 2024. The event was attended by BAMS 1st year Professional students and faculty members. It provided a platform for students to deepen their understanding of Ayurvedic principles and engage in academic discussions on classical concepts.

A CME programme was conducted by the Himalaya Drug Company at IAMC on the topic “Non-Alcoholic Fatty Liver Disease and its Management with respect to Liv 52” on 2nd March 2024. The session was attended by consultants and faculty members, which focused on the role of Liv 52 in the management of NAFLD and promoting awareness of integrative treatment approaches.

A seminar on the theme “Holistic Quality and Affordable Health and Wellness for All” was organized as part of the national initiative Viksit Bharat @2047 on 4th April 2024. The event was honored by the presence of the Hon’ble Vice Chancellor and Advisor of the University of Science & Technology Meghalaya. Students and faculty members of IAMC actively participated in the seminar, which emphasized the importance of accessible and integrative healthcare in shaping a developed and healthy India by 2047.

IAMC celebrated World Health Day with an awareness talk on the theme “My Health, My Right” on 7th April 2024. Selected faculty members addressed the students, highlighting the importance of individual health rights and promoting awareness about personal well-being and access to healthcare.

On 05/06/2024, IAMC celebrated World Environment Day with an awareness talk on the theme “Our Land, Our Future. We are #GenerationRestoration.” The event emphasized the importance of environmental conservation and sustainable living. It was followed by a Plantation Programme on the university campus, promoting active participation in ecological restoration efforts.

IAMC celebrated International Yoga Day on 21st June 2024, with great enthusiasm. The event was inaugurated by the Hon'ble Vice Chancellor of USTM and the Principal of IAMC. An early morning yoga session was conducted by Yoga Instructor Mr. Khagen Kalita, with active participation from students and faculty members of the university, promoting the significance of yoga for physical and mental well-being.

IAMC celebrated National Doctor's Day on 1st May 2024, with a small gathering of its doctors. The event served as a gesture of appreciation and recognition for the dedicated service and contributions of medical professionals within the institution.

IAMC celebrated World Breastfeeding Week with a special event featuring a guest lecture by Dr. Jeuti Boro, Associate Professor at Government Ayurvedic College Hospital, Guwahati on 5th August 2024. This was followed by a scientific session conducted by Dr. Chinmoyee Thakuria, Assistant Professor, Department of Swasthavritta & Yoga, IAMC, on the topic "Development of Female Breast through Various Stages of Life." The event highlighted the importance of breastfeeding and female health awareness.

IAMC celebrated Charak Jayanti on 9th August 2024, with devotion and reverence. The celebration began with the offering of flowers to the idol of Maharishi Charak, honoring his contributions to Ayurveda. This was followed by an informative talk by faculty members, highlighting the life, teachings, and enduring legacy of the great Ayurvedic scholar.

On 05/09/2024, IAMC celebrated Teacher's Day to honor and appreciate the dedication and contributions of its teaching staff. The event included various activities expressing gratitude and respect towards the faculty members for their role in shaping students' academic and personal growth.

From 1st September 2024 to 30th September 2024, IAMC observed the 7th Rashtriya Poshan Maah with various activities focused on nutrition and health awareness. The month-long programme was inaugurated with a Plantation Drive under the theme “EK PED MAA KE NAAM.” Additionally, two Free Health Check-up Camps and Nutritional Awareness sessions were organized to promote community well-being and environmental responsibility.

IAMC celebrated the 9th National Ayurveda Day on 29th October 2024, with a vibrant lineup of events. The day began with the inauguration of the Ayur Ahar Mela, where students showcased traditional ethnic recipes. This was followed by an Ayur Walkathon and a guest lecture by Prof. (Dr.) Dhaneśwar Kalita, former Principal of Government Ayurvedic College Hospital, Guwahati, on the theme “Ayurveda Innovation for Global Health.” The celebrations concluded with the Dhanwantari Puja, honoring the divine healer in Ayurveda.

IAMC celebrated its 2nd Foundation Day on 2nd November 2024, with a special ceremony. The event was graced by Dr. Ashok Puranik, Executive Director of AIIMS Guwahati, as the Chief Guest, and Dr. Swapan Kr. Chakraborty, Former HOD of the Department of Rog Nidan, Government Ayurvedic College Hospital, Guwahati, as the Guest of Honour. The celebration highlighted the institution’s growth and achievements over the past two years.

IAMC observed World Meditation Day on 21st December 2024, with a series of activities. The event began with an inspiring speech by Dr. Anil Kr. Sharma, Founder Principal & Advisor of IAMC, followed by a Yoga Nidra session focusing on yogic meditation techniques. Additionally, a poster and slogan-making competition was held for students to creatively express the importance of meditation and mindfulness.

STUDENT EXCHANGE PROGRAMME

A 10 days student exposure programme was held in March, 2024, in Karnataka, which was very information and beneficial for the students of BAMS, IAMC giving a vivid idea regarding various medical prospects including minor and major surgeries, laboratories, visiting various botanical garden, exhibiting cadaveric dissections, exposure in Naturopathy Hospitals and Pharmaceuticals industries.

Inauguration of the Centre of Excellence and Renovation of State Pharmacy under Ministry of AYUSH, Govt. of India by Shri Sarbananda Sonowal, Hon'ble Union Minister of Ayush and Ports, Shipping & Waterways, Govt. of India.

An interactive session with Shri Sarbananda Sonowal, Hon'ble Union Minister of Ayush and Ports, Shipping & Waterways, Govt. of India on the topic "Integrative treatment of Ayurveda with other systems of medicines at Central Ayurveda Research Institute (CARI), Guwahati.

Eminent Personalities Speaks..

The University must exercise moral leadership to meet the challenges of the 21st century. I strongly believe in the leadership of USTM to create a Centre of Excellence for rural talents. My best wishes to team USTM led by its founder Mahbubul Hoque.

Dr. APJ Abdul Kalam
11th President of India

I am impressed to know that this University is emerging as a rising star in the North Eastern region, doing extremely good in research and academics within a very short span of time starting with a humble resource. Stakeholders of the region must follow this footsteps and bring a revolution in higher education.

Shri Ram Nath Kovind
14th President of India

I had no idea that such a huge University exists so near the National highway. This University carries a multifarious teaching and research activities in different fields. I wish all success to USTM in the coming years.

Shri Satya Pal Malik
Governor of Meghalaya

I am amazed to see the gigantic campus of the University and also the cultural activities. I wish every success to the University.

Shri Gulab Chand Kataria
Hon'ble Governor of Assam

USTM is unique due to its Human touch. This university will reach the heights of excellence under the leadership of its dynamic chancellor to make this region "Education Hub". I am confident that USTM will soon become a global destination for teaching, learning & research.

Shri Conrad Sangma
Chief Minister, Meghalaya

I am happy to visit USTM and unveil the statue of Bharat Ratna, former President of India, Dr. APJ Abdul Kalam. I had a very fruitful session with the officials, staff, and students. Compliments to the Chancellor, Vice-Chancellor, and their team. Best wishes for USTM family.

Prof. D P Singh
Former Chairman, UGC, New Delhi

University of Science & Technology, Meghalaya has been growing as the best private University in the NE region. It acts as a path finder in the field of higher education which is a dire need of the time. I hope one day USTM will be a world class university.

Prof. Ved Prakash
Former Chairman, UGC, New Delhi

It is indeed heartening to see the enthusiasm of the students and faculty of this institution. Wishing a great future to all endeavours.

Shri A S Kiran Kumar
Chairman, ISRO

Amazed to witness such a young University like USTM creating immense contribution in the education movement of the North Eastern region. I am sure, one day it will be one of the best Universities of the country. Wishing all the very best.

Prof. M Jagadesh Kumar
Chairman, UGC, New Delhi

The environment and ambience is excellent, feel closer to the nature. I am sure this university will go a long way and will be a global standard university.

Prof Govindan Rangarajan
Director, IISc. Bangalore

I am very pleased to be with the students and faculties of the University especially the founder Chancellor for the service to higher education in North-East.

Shri Kailash Satyarthi
Nobel Peace Laureate

I am very much impressed by the university infrastructure, study ambience and the enthusiasm of the students. I enjoyed the interactive session with the students of the USTM.

Shri Navin B. Chawla
Former Chief Election Commissioner, India

I am happy to learn that the USTM is working actively upon outcome based education. I appreciate that the Chairman of NAAC peer team has announced that USTM has the potential to be awarded A++ in the next cycle of NAAC inspection in 2026.

Subject:- Issuance of LoP (Letter of permission) to the Registrar, University of Science & Technology, Techno City, Kling Road, Baridua, 9th Mile, Ri- Bhoi, Meghalaya-793101 in respect of your application/scheme vide ref no. USTM/IAMC/AppI_NCISM/2022/482 dated 26.10.2022 for seeking permission of the Medical Assessment and Rating Board for Indian system of Medicine, National Commission for Indian System of Medicine to establish new Ayurvedic Medical college in the name of I.A. Ayurvedic Medical College, South Zone, Techno city, Kling Road, Bariduari-Bhoi, Meghalaya-793101, Guwahati, Assam (Inst. Id:- AYU0822) with 60 seats (instead of 100 seats) in UG (BAMS) course under section 29 of NCISM Act, 2020 from the academic session 2023-24-reg.

Sir/Madam,

With reference to the subject mentioned above, I am directed to inform you that in pursuance of the provision of National commission for Indian System of Medicine Act, 2020, the Indian Medicine Central Council Act, 1970 (48 of 1970) has been repealed with effect from the 11th day of June, 2021. With effect from the said date, the Central Council of Indian Medicine constituted under sub-division (1) of section 3 of the Indian Medicine Central Council Act, 1970 (48 of 1970) shall stand dissolved. Now, in exercise of the powers conferred by sub-section (3) of the section 1 of the said Act, the Central Government hereby notifies that all the provisions of the National Commission for Indian System of Medicine Act, 2020 has been come into force with effect from the 11th day of June, 2021 and as per regulation 59 (2) of The National Commission for Indian System of Medicine ACT, 2020, Medical standards, requirements and other provisions of the Indian Medicine Central Council Act, 1970 and the rules and regulations made thereunder shall continue to be in force and operate till new standards or requirements are specified under this Act or the rules and regulations made thereunder. Further, the provision of concerned regulations which are inconsistent with the provision of NCISM ACT 2020 shall not be applicable.

1. I am to refer to your application/scheme vide ref no. **USTM/IAMC/AppI_NCISM/2022/482 dated 26.10.2022 received from The Registrar, University of Science & Technology, Techno City, Kling Road, Baridua, 9th Mile, Ri- Bhoi, Meghalaya-793101** to verify the available facilities of teaching and practical training for intake capacity with 100 seats in UG (BAMS) course from the academic session 2023-24, the college was visited on 21.09.2023 and 22.09.2023 on hybrid mode for issuance of LOI by the visitation team of Medical Assessment and Rating Board for Indian System of Medicine (NCISM) and as per direction of competent authority letter of intent has been issued you vide letter of even no. dated 27.09.2023 to establish new Ayurveda college in the name of **I.A. Ayurvedic Medical College, South Zone, Techno city, Kling Road, Bariduari-Bhoi, Meghalaya-793101, Guwahati, Assam (Inst. Id:- AYU0822) with 100 seats in UG (BAMS) course** under Section 29 of NCISM ACT 2020 from the academic session 2023-24.
2. The Medical Assessment and Rating Board for Indian System of Medicine (NCISM) had carried out an inspection of the institution again on 12.10.2023 & 13.10.2023 through Hybrid mode to assess the available facilities of teaching, non-teaching, hospital staff and to verify the physical and other infrastructure facilities available for issuance of Letter of Permission (LOP) to establish new Ayurveda college in the name of **I.A. Ayurvedic Medical College, South Zone, Techno city, Kling Road, Bariduari-Bhoi, Meghalaya-793101, Guwahati, Assam (Inst. Id:- AYU0822) with 100 seats in UG (BAMS) course** under section 29 of NCISM Act 2020 from the academic section 2023-24 and relevant regulations thereunder.
3. Further, in view of above, the visitation report and all other related documents were assessed in terms of enforced regulation namely, the "Indian Medicine Central Council (Requirements of Minimum Standard for under-graduate Ayurveda Colleges and attached Hospitals) Regulations, 2016", and provisions under the NCISM Act, 2020 and relevant Regulations there under. On examining the case in light of above notified and approved criteria and on perusal of the visitation report, it was observed that the college was not fulfilling the basic eligibility criteria due to following shortcomings: -

1. Teaching staffs: -

- a) Availability of total teaching staff after considering the teachers mentioned by the visitors for 100 seats in UG upto first year is $\frac{\text{Available}}{\text{Required}} \times 100\% = \frac{60}{100} \times 100\% = 60\%$ (Excluding Excess)
